

April 19th BBCHA meeting.

Hello all.

We had our monthly meeting on the 19th, there weren't many participants, and we strongly encourage people to join. On the day of an email will be sent out with a link to our meetings. They are from 6:30 pm till 7:30 at the longest. We would love to hear from you and get to know you more.

Here is what we discussed. In the past we have tried to do a "Fun Day" for a summertime fundraiser, however, we've found they're not too beneficial as it takes up lots of time and energy without much economic return. We have decided to not do one this year.

June will be a highly IMPORTANT month for BBCHA. We will be holding a vet clinic on June 29th (as of now). The purpose is to get a health certificate and a Coggins test. These certificates are only valid for 30 days and are REQUIRED for YELLOW STONE. There will also be a brand inspector there.

In June we also have our Summer social from the 25th-27th at Franklin Basin. Saturday morning at 10 AM horses will leave the trail head for White Pine Loop. It is a 6hr ride so pack a lunch. The social will be Friday night and you're welcome to stay through till Sunday.

In other news we have rebooted a calendar as Google is not being user friendly. Here is the link: <https://kvisit.com/urNiyAQ> It will be updated as the President requests and or during/after our monthly meetings. Please check ahead regularly so you don't miss rides or events. Lastly, the chapter has purchased 3 pairs (6) walkie talkies for the trail rides. This way groups may split up but not lose contact.
