Discussion of Winter Social: Held over for next meeting, September 21st 2021

Why do we do it? New members or fund raiser?

Fund Raiser ideas. A better way than auction? A "funday"?

- 1- A fun day. Barrels, poles. Trail class?
- 2- A trail class like Dimple Dell.
- 3- Have something like different stations with help from USU(to include the 4H)
Barbara will check with her friend who already does therapy at USU for possibility of USU time.
Further discussion when we see if possible for ideas.
(USU has been contacted several times, years before and they do NOT allow "outside" horses on their property.)

New members:

- 1-Put a notice on Facebook that reads, "Everyone is invited to join". (suggested by Sydney)
- 2- Make business cards to hand out. (suggested by Tracy Cronin)
3. Work with USU horse students(Suggested by Barbara)
- 4-Putting up a sheet with pull tabs with BBCH info on it, in local businesses! (suggested by Kari)

Motion to do all 4 above, Kim Lott Second Dawny, voted and accepted all of the above. Kari will work on the Facebook announcement and the Pull tab fliers and will look into the "business cards". (they are usually very expensive)
