

## **Bridgerland Back Country Horsemen – Meeting Minutes**

**Date: 9/18/18 Presiding: Kari Prescott, President Called to Order: 6:33pm**

### **Chapter Business**

**Minutes Approval** – August minutes not sent out – Highlights listed below

- Kristin Johanson – Visitor Information Specialist from the National Forest Service gave us an overview and access to the Avenza trail map system for smart phones. You can download the maps for free and then use them offline in the back country. If you are interested, Heather has the QR code to get started.
- Trailer decal update – Dawn revised the logo as we previously requested. She can also flip the image so it can be applied to our trailer on both sides with the rider facing forward.
- Donor sign still needs to go up to Franklin Basin. Kari and Ron will take care of it.

**Financial Report** – Wendy Coombs – Current balance is \$985.63. See attached itemized register.

**Pictures for Video** – Please send in pictures from your rides, trail cleaning, summer social, camping trips, etc. We would like to compile another video for the year to display at the Winter Social. Send pictures to Heather.

**Posse Donations** – The Posse was planning to donate cash for Kari’s three days of work in the Burger Shack during the fair. They were also going to donate half the cost of the new donor sign up at Franklin Basin. We are still waiting on both donations.

**Temple Fork Corral project** – Ron found some used rods and poles that we can use for a new corral project next year. We can possibly put up some pens at Temple Fork, add to the corrals at Franklin Basin, or fix up the ones at the Tony Grove back country trailhead. Kari will call Lisa at the USFS for more info on what they will allow.

### **Trip/Ride Planning**

- Our trails were actually given to someone else by the USFS. We will need to go to the meeting next year to get them back or get new ones assigned to us. In the meantime, work wherever you go and count the time.

**Winter Social Planning** – We will be at Birch Creek this year and plan on it being Saturday, January 12<sup>th</sup> at 6pm. Kari will have Blake secure the location for us.

- Start getting donations now!! Keep in mind what has sold well at the auction before – western or horse related décor and jewelry, craft items, horse tack, etc. Start soliciting donations from any companies who have donated in the past.
- We will see if Eric Coombs will perform some cowboy music and poetry. Maybe we can have an open music and poetry contest?
- Cindy will see about creating some interactive games to play, and consider some ‘roasting’ gifts for members. If you have any ideas, send them to her!

### **Additional Business**

- Iron on logos and stickers are now available for \$3 each. Contact Kari if you would like any.
- The trailer logos should be about \$90 for each side.
- We will see if Joni Anderson might make us a routed ‘Horse Camp’ sign for the Franklin Basin turn off.
- **Volunteer Hours** – Please be tracking time you spend doing any work this year!
