 - Ideas for membership drive: Ashley and Dan to work with USU, if you have connections with dedicated hunters please reach out to them, if you have connections at the high schools please reach out, we will put signs up at Franklin Basin come spring.

- This year's project reports:
 - Franklin Basin: Second set of corrals were built. A huge thank you to all who donated supplies and time.
 - High Creek: We opened the log fence for trailer parking and put up signs. However, someone decided to close this off. We are working with Forest Service to decide what to do next.
- Next year's planned projects:
 - High Creek: Does someone have connections to materials/equipment/etc to build one corral? Cindy and Jake will be working on grants.
 - General Trail Cleaning: All trails need widened. We need crews of 4 to do it. Please let us know if there are days that will work best for you.
- Tentative dates for our summer rides for 2021:
 - Yellowstone: Leave on 7-16-21
 - Summer Social: Ride and potluck dinner on 6-26-21 at Franklin Basin Horse Corrals
 - Antelope Island: New Years Day with Wasatch Group
 - Health Clinic: 6-29-21 at Smithfield Arena
 - We will try to do a ride in March/April in the West Desert to go see the wild horses.
