- If you have items to add to the agenda, send them to the president, not the secretary. The president sets the agenda, the secretary just puts the agenda together.
- Winter Social is our biggest fundraiser, and will not be cancelled unless it is necessary due to the pandemic
- Going forward, we will offer zoom meetings as well as in person. As of now, we can only have 10 at our next meeting.
- I will be sending a survey regarding what projects member would like to see completed. Barbara will be looking into grants to help supply funds for these projects.

Hours do not have to have been completed by members. They can be completed by anyone at any time. But please put them in so that we can keep trails open!

Here is the link for membership renewal. The money does go to our chapter, so if this is easier for you to do, please feel free to do it this way.
