

A very fun and delicious potluck/meeting organized by Corby Briggs was held at 6 p.m., December 7, 2021 for the Central Utah BCH. All officers were present except Patti Fleming, Education Coordinator, with a total of 16 members present.

1. ELECTIONS: Lynn Barton, President, asked for a motion to sustain the same officers for next year unless there is someone who would like any of the jobs. No one present said they wanted the job of an officer, and the motion was seconded and unanimously approved.

Lynn Barton - President  
Corby Briggs - Vice President  
Secretary - Joyce Smith  
Treasurer - Sheila Parker  
Land Coordinator – Tom Smith  
Education Coordinator - Patti Fleming

2. FOREST SERVICE PROJECT: Tom reported the Forest Service assessed Canal Canyon and Grizzly Gulch trails and want our help this summer with several projects on them: Rerouting/rebuilding some of the trail that has eroded was one of the projects Bill Broadbear mentioned.
3. WHITE HILLS PROJECT: Diane Cote saw Mark Farmer from the State Wildlife Division at White Hills who relayed the following to her. They replaced the pallet on the north entrance with a nice small gate and posted a sign clarifying equestrian and foot traffic only from Dec. 1 – May 1. They locked, but did not replace the large gate on the south end which they asked if we would replace in the spring (they will buy it). He also said he would like us to help with the designated trail we proposed to them in the summer, and would like to have the trails named with signs. He mentioned we should come to the January meeting.
