

An in-person meeting and pot luck was held Tuesday, 10/4/22 at 6:30 pm for the Central Utah BCH at the Contoy Arena Great Room.

1. **WHITE HILLS:** We are planning a followup service project/party in January 2023 to grind off protruding bolts on the fence. The parking lot will need to be graded with a grader this spring. Morgan is the maintenance guy with the State to talk to. Corby will ask how much money the signs are going to cost, and we'll plan to put them in late March. When we know the remainder of the money from the grant we received, Joyce will call Kevin Christensen about donating to improving the parking lot in Canal Canyon.
2. **CHRISTMAS PARTY:** Save the date Dec 6th at 6:30. We will be having an auction and donating 1/2 of the proceeds to the local food bank. Also we suggested having a food drive at the party. Corby will be in charge of organizing the dinner; Julie will be in charge of the auction. Please look through your horse and non-horse stuff to donate for this fundraiser and let Julie know what you'll be bringing. Joyce will organize a membership drive. There will be fliers made for the upcoming rides to invite people to join us and hopefully support our club by becoming members.
3. **RIDES/PARTY:**
