

An in-person meeting was held Tuesday, 6/11/2024 at 7 p.m. for the Central Utah BCH at the Mt. Pleasant Vet Clinic offices in Mt. Pleasant. Present were Lynn Barton, Sheila Parker, Joyce Smith, Tom Smith, Sam Taylor, Stephen Strate, Lynn Larsen and wife, Julie Heavirland, Marie Settle, Corby Briggs, and Ann Wilson.

1. CANAL CANYON

- Posts w/signs saying “Equestrian Use Parking” and “Trailer Parking” were installed in the new enlarged parking lot.
- A new tie rail was installed on the west end of the parking lot.
- The Price Forest Service (Zach Gardner) said the FS has budgeted to rebuild the wooden bridge across the river in 2025. It is currently unsafe for horses.
- One of our members, Rich Clayton, offered to grade the parking lot, probably next week. Tom Seeley of the Sanpete Co. Roads said we should just police parking when Rich grades it to minimally disrupt the parking. Tom and Joyce will coordinate that. It should take approximately 2 hours.
- Tom Seeley said the road from the cement bridge to the trailhead and turnaround in the parking lot will be widened at the end of the summer. The County is doing that so they can keep the road open in the winter and use the parking lot as a turnaround. The widening of the road will accommodate two trucks and trailers side by side.
- Kevin Christensen of Sanpete Tourism asked if we could take Gary Winterton and his cameraman from Hooked on Utah, Channel 2, on a ride up Grizzly Gulch to advertise the new parking lot. Corby Briggs and Sheila Parker agreed to provide horses and take them, possibly to the Horseshoe or as far as necessary for good footage. All members who want to are invited to go along on Feb 28th, Friday morning. Time to be determined.

2. RIDES

- **June 18-22 Bryce (outside Park) – Julie Heavirland.** Dry camping with several rides including Thunder Mountain.
- **June 28 morning Canal Canyon - Time TBD.** Corby and Sheila w/Hooked on Utah to advertise Canal Canyon parking lot and riding.
