WFBCH has CPR/1st aid training scheduled for 8 March at the Weber Co fairgrounds. There is a charge for this training. Contact anyone with the chapter ASAP (see the BCHUtah.org to RSVP to the training.
4. **The chapter is considering the benefits of becoming a 501c3 non-profit.** Julie will do some research into the benefits and the filing responsibilities if we do. Only the Southwest and Wasatch Front chapters are 501c3s. The state is not, but BCHA is 501c3.
5. **The recreation grant application** for improving the Salina Creek campground for equine use has been pushed off for submission until Jan 2026. It will allow for better application planning.
