

HI-LINE & HOBBLER BCH

AUGUST 2025 MINUTES

The monthly meeting for the Hi-Line & Hobbles Back Country Horsemen Chapter was held on August 21, 2025. Meeting was called to order by President Rod Unsworth. Members present were Linda Hamrock, Jubal and Anna Myers, Tony Henrie, Garrett and Dani Macdonald, Brandi Drury, Jeff Nichols and Curt Jolly.

There were 19 people that participated in the Strawberry Reservoir ride.

Rod spoke with Heather Thompson who advised that the 4-H members would attend a meeting in the winter months.

Morgan Hinton from DWR will be guiding our group ride in September. Details to come.

For the October meeting we will have a veterinarian coming to speak.

November will be with Kelly Prestwich at Elberta. History of mining in the area.

December will be the Christmas party. Anna, Jubal and Curt are working on the arrangements. Curt will secure the clubhouse in Linden for December 11. Anna will have more details re the food soon.

Rod advised that the next few rides will be overnight camping rides. Rod suggested we offer some closer rides to accommodate those that have small children at home or can't do overnight rides for other reasons. Suggested maybe Payson Canyon or Big Springs.

Curt discussed the Big Springs bridge project. Brandi will GPS the bridge locations. We will have to build the bridges on site. Suggested we pick one bridge project at a time to complete.

Jeff reminded everyone that the Antelope Island buffalo roundup is October 1, if anyone wants to register to ride.

Rod advised that Holly had designed a QR code for our chapter to use on handouts, etc. We updated pamphlets we had on hand with the new stickers.

Meeting finished with a video on horse anatomy.

Meeting adjourned.

Respectfully submitted,

Linda Hamrock, Secretary
