

SRBCH Meeting Minutes
May 2, 2024
Emery County Administration Building

MEMBERS PRESENT: Don, Terri, Rod, Dale, Wayne, Tom

OLD BUSINESS:

1. Goblin Valley – still pending
2. Go Pro – Don has asked Jim and Jared to get more information on the appropriate Go Pro for the chapter. He hasn't received any information yet.
 - a. Don will send Freddie a message with his mailing address for the grant check of \$500 to purchase the Go Pro – this was approved at the last State BCHU meeting.

NEW BUSINESS:

1. Financial information the same - \$23,650 in the bank
2. Wayne and Jared has been asked by Jones & DeMille engineering for a meeting to help Carbon County map out the trails within the county. The meeting is scheduled for May 6 @ 10:00.
3. The BLM travel management plan will be open for public comment around May 22, 2024. May 7, 2024 the BLM is meeting with Emery County @ 1:00 p.m. to discuss the plan, this is open to the public.
4. The equestrian campground for the east wedge will need to be relocated. The campsite currently under consideration will not work due to the ground layout and drainages. Blake Baker, BLM, has asked SRBCH to find an alternative location. Don, Wayne and Rod looked into other sites. Just east of the old site is the intersection that intersects the main road and the road that leads to campsite #1. They feel this could be a good spot and talked on the phone with Blake about this. More to come at a later date.

CHAINSAW TRAINING:

1. Scheduled for May 18, 2024. Possible location at Crandall Canyon. Members attending: Don, Jim, Lisa Caddy and husband, room for one more.
2. Forest Service – has scheduled training for 4 employees, 4 volunteers and 2 forest service sawyers who will be helping with the class. Scheduled for May 21, 2024.

MEMBER COMMENTS:

1. New members – approach new members with trails they would like to see cleaned in the future.
2. Other new trails – CCC trail at Joe's Valley. Hopefully work with boulder volunteers and others to help open the trail to horses.
3. Tie Fork trail a possibility.
4. Consider cleaning a trail for National Trails Day on June 1, 2024.

FUTURE RIDES/PROJECTS:

1. Pete's Hole – camp and bridge work on the 3rd bridge from Pete's Hole Reservoir.
June 14 – 15, 2024 with a campout at Thistle Flats.
