

**SRBCHU Meeting Minutes**  
**August 1, 2024**  
**Emery County Administration Building**

**MEMBERS PRESENT:** Rodney, Dale, Ken, Tom, Don and Terri

**MEMBER COMMENTS:**

**Ken** – he has cleaned a trail by Granger Ridge.

Finances – the same as last month - \$26,500

**Tom** – He has cleaned Flood Canyon, however, the last time he rode there is another large tree on the trail towards Candland Mtn.

**Rodney** – Sawmill Canyon to Short Canyon is a beautiful ride. It is a long ride around the canyon. If we cut a trail about 400 yds. It would make the ride a lot shorter. Just a thought.

Group rides on Saturdays were discussed. We will continue to ride on Saturday, however, when it is more convenient for members to ride on a Friday, we will change the day.

**MONTHLY RIDES:**

August 2024 – August 9, 2024 – Canland Mtn. meet at BK's @ 8:30 a.m.

September 2024 – to be discussed

**MEMBER PROJECTS:**

Most all projects have been completed. There may be some trails to be cleaned, but most of them have been cleaned. In Huntington Cyn from Mill to Engineer – several trees need to be cut. It looks like it's time to just get out and ride and take advantage of the beautiful area we live in.

Rod, Don and Terri will follow up at the Trails Meeting in August for any future projects.

Possible projects:

Possible BLM rocks in 2025

Goblin Valley – pending

Equestrian campground on East Wedge
