Business From the Previous Meeting

- Introductions of current officers and new members.
- Treasurer's Report- No activity since the prior meeting. A budget of \$150 has been set for the purchase of a persons and equine first aid kit.
- 0 volunteer hours reported thus far for 2021.
- State Meeting Summary: more FB pictures need to be taken and put up. There are some BCHA Grant's available right now. The membership drive is still taking place- the chapter that get's the most new members for 2021 gets a \$500 grant.
- The application for the Meeker Mustang Makeover was passed around.
- Derik has been unable to get in contact with the forest and wilderness rangers this year so we have yet to decide on what projects to do. Packing out trash from the wilderness and clearing the section of the Highline from 191 to Hacking Lake are possibilities. We need ideas for projects to do in the lower country in the spring/early summer while we wait for the snow to melt in the high country.
- We plan to kick off some fun rides hopefully starting in March. Suggestions for places those can take place are appreciated.
- Hoping to have an arena day in March/April. Plan to have vet/farrier/brand inspectors on site, possibly horse chiropractor as well.
- Contact Gordon for the discount code for the ClassicAir insurance if you're interested for your family. With the discount the yearly membership is \$45.

Meeting was adjourned at approx.. 8 PM by Gordon Hirschi. The next general meeting will be at 7 PM on March 2nd, at 711 Ranch Restaurant.
