Highly suggesting your volunteer hours be turned in.

Thank you to the McFarland's for providing this month's potluck entrée.

Recognized Ron Hales work at Adams Canyon/Sylvia Hollow. BCHU will go forward as planned with a more trail markers for Silvia Hollow. At a very reasonable cost, Ron Hales is able to place a number of fiberglass posts with orange duct tape as well as into Sugar Pine nearer the solar panels to mark trails, all at a very reasonable cost.

Last month chapter discussed signs and/or T-posts we can fabricate until the USFS can get in to further improve. The executive committee agreed to go with the fiberglass posts.

Chapter work projects will be on hold until further discussions.

September 24 – 28<sup>th</sup> there was a Coastal Clean-Up by Friends of Great Salt Lake. This was a free, but sign-up requirements with tickets, effort and volunteering opportunity.

National Public Lands Day was September 26<sup>th</sup>. This is yet another opportunity to volunteer and perform a service project.

Annual Holiday Auction/Banquet currently being discussed. Membership will be kept apprised whether this will go forward due to COVID19 health concerns. (LATEST NEWS: THIS EVENT HAS BEEN CANCELLED.)

Nomination of Officers for 2021 still being discussed. Stay tuned for further news regarding this.

Bryce Canyon and Capital Reef organized rides are on the books. Lower temps so come prepared.

Trails Foundation of Northern Utah (formerly known as Weber Pathways) is looking for members to sit on their Board. It would be important for our participation so that we maintain and have a voice re: equestrian use.

For your information: Spanish Trails Arena in Moab is allowing organized camping.

8:00pm Adjournment approved.
