Old Business –

Fall Work weekend – Sep 19-22, North Fork Park

Committee to coordinate events:

Poker Ride postpone until next year. We will talk to Gary Sidoway he can help us advertise.

We can get information for his ride so we will know how to run it. It is usually Father's Day weekend. We can plan Youth Ride a different weekend. He has prizes, dinner, and a band. We need to make sure it is legal in Utah. Look at website for High Star Ranch - Poker Ride 2024.

Committee: Ron, Tonya and Lyn

Will get out information for Fall Social. Plan on riding

Memoria for King Green status – updates (Richard) not in attendance.

North Fork Park Issues

Signs – this will be a winter project

Trails – guidelines have been sent to Brad. Looking at making a County policy for multi-use trails. Are we really designing multi use trails. Antelope Island is a good example. Linda emailed him different examples of multi-use trails from Heber and other areas. Width of trails, signs with lettering a certain size. Brad is looking at the information. We will purchase new signs to get the information correct. Spork is for bikers only so that takes the more aggressive bikers off the other trails. The new bridges are supposed to be horse safe. Trails are becoming very bike oriented. A biker was hurt because a bike sunk in and the rider was tossed into a tree, ended up with a concussion.

Projected dates for next year's events:

Youth Camp – June 19-21

Do we want to do a Youth Horsemanship Training, one was done last year? Others will need to help and expectations for participants clarified. We can look at winter lessons. We can talk about it

Pack Clinic postponed, maybe just plan rides and if someone needs packing help Ron and Lafa will help.

Fall Social/Poker Ride Sept. 19-21, 2025

Parking at the Weber County Fair Report Great Training for horses, desensitizing horses. 3:00 - 8:00 When wind came up the horses were brought back to trailers. For next year it would be helpful to have notification of where different groups can enter or park. Mark rows with hot pink. Linda will meet with the committee for ideas to improve.

Lewis Peak Pack-in Sky Line Marathon Friday of Fair Sept. 9th. It was approximately a 9 mile ride. The trail needs cleaning. If Clay Christensen donates money we will support, if not we have the fair. Riders need to watch for motorcycles
