Ride #105
 The "**Ida Gulch**" ride is an easy 9 mile ride.
 The canyon starts off fairly wide and narrows
 as you get further South.
 Also: There are several side drainages to ride.
 It is a beautiful ride especially during the spring and fall.
 Summer can be warm,
 No protection in this canyon.

WARNING: Beware of flash floods.
 Know the weather if you ride the creek.

Extra Riding
 You can cross Hwy 128 and ride along the Colorado River.
 You can also go East and ride cross country
 to Sterns Gulch and Professor Valley.
 There are some trails to the West.
