

Kane Creek

Further down creek

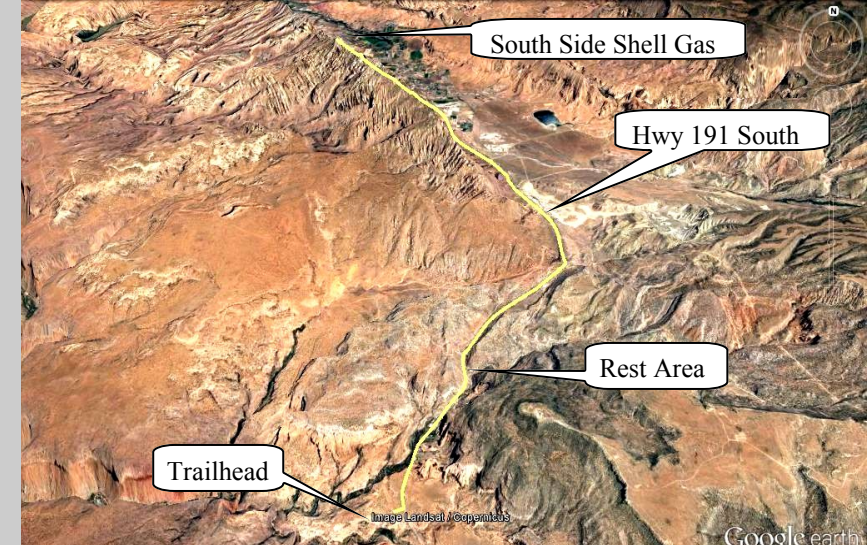

On the ledge

Ride #078
The "**Kane Creek**" ride is a moderate 9.5 mile ride out-and-back.
Some skill needed but a mostly a nice ride in the creek
Nice lunch spots along the creek
Nice Spring day (68 degrees), Great riding day

WARNING
This Canyon attracts lots of motorized traffic.
You can here them coming and get off the trail.
It's a hassle but worth it.

Extra Riding
Mule Shoe Canyon is accessible from the trailhead of Kane Creek.
Its similar but has NO motorized traffic.
It goes South from the Trailhead.

Kane Creek Trail Map
Ride distance is 9.5 miles
Most of the ride, but not all,
Is in or along the creek.
Some rocky ledges to navigate.

Directions to Trailhead

Trailhead
Directions starts at South Side Shell Gas
Go South on Hwy 191 about 12 miles,
The Rest Area is 1 mile **BEFORE** you turn off 191.
As you turn off of Hwy 191 go thru a gate.
There .2 miles in and is quite large
