Ride #097

The "**Professor Valley**" ride is an easy 7.25 mile ride.

Some of the ride is cross-country and some is on old seismic roads.

Professor Valley is basically "open riding".

Nice views of Colorado River.

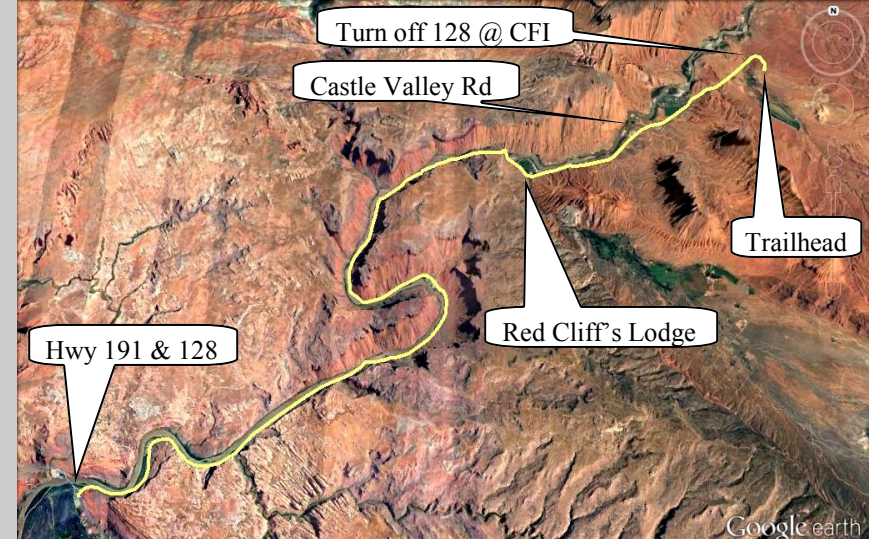

A beautiful ride especially during the spring and fall.

Summer is hot with little protection.

WARNING: Beware of flash floods.
These dry creek beds can be dangerous.

Extra Riding

You can also ride East to Onion Creek,
Onion Creek trail is a nice 10 mile loop.
Also Mary Jane Canyon and Sylvester are 2 miles S-W.
Sterns Slot Canyon is 2 miles West or Parking.

Directions to Trailhead

Trailhead Parking

Take Hwy 191 about 3 miles North of Moab.
Directions to the trailhead starts at Jct Hwy 191 & Hwy 128
Go East on Hwy 128 about 19.2 miles,
Look for a small sign saying "CFI"
The "CFI" turn-off is .9 miles past Professor Valley road.
Turn right off of Hwy 128 and go about .5 mile
There will be a large parking on your left.

Professor Valley Trail Map

7.25 mile loop back to parking.

The first portion is cross-country.

Then you catch an old seismic road.

This loops around and then heads East.

You then catch a dry wash back to
the parking area.
