

Rock Creek Trailhead

Disclaimer: The following trail description was kindly submitted by BCHU horsemen. Use this information at your own risk. As with all horse related activities, trail riding is a sport with a considerable amount of inherent danger and risk. No guarantee is either stated or implied that you will find any of the information listed below to be accurate.

Elevation- 5990' at trail head.

Camping- Primitive Camping only. There are no facilities/no potable water. Tie stalls are available with feed boxes. No Graze. Weed Free Hay Required. Stock Water is available. Fire Restrictions may be in effect. Check before you go.

Difficulty- Easy to Intermediate due to the elevation climbs and trail condition.

Condition of stock- Moderately fit

Best time of the year to ride- Open April - November;

Trail hazards: Moderately steep grades depending on the trail chosen. Bugs are tolerable even in the middle of summer. Cattle are likely.

Current level of use- Hikers: NA; Bicyclist: NA; ATV's: None on trails

Directions to Trail Head- Take I-15 to Brigham City then east through Hyrum to Hardware Ranch. Rock Creek Trail Head is almost three miles ENE past ranch on dirt road. N 41° 38' 42.814", W 111° 32' 57.538"

Directions on the trail- The trail begins at the north edge of the parking/camping area. There are a series of ranch roads, cattle paths and trails which traverse the area making numerous sized loop trail rides possible. Take a topo and a GPS and go for it. Remember to practice ranch gate etiquette - leave the gates the way you find them! Terrain is gentle, views are spectacular and autumn leaves are priceless to behold.

Hardware Ranch is administered by the Utah DWR and is horse friendly. Help us keep it that way by ensuring you leave the area clean of all trash, manure etc.

Remember always to use your best judgment. Always take a moment to consider the suitability the weather, trail conditions, your horsemanship skills, the skill of those in your party, and perhaps most important...the physical and mental condition of your horses before each trip.

Safe Trails!!!
